

## Program Assistant Agreement

Program assistants are an essential component of the CanSkate & Beginner CanSkate programs. Program assistants agree to the following:

I will be on time.

I agree to attend all PA training/meetings.

I will wear appropriate clothing i.e. PA vest, skating attire, warm-up suit)  
(No Jeans, inappropriate t- shirts and sweatshirts)

I understand that I have to wear the PA vest to help identify myself to coaches, parents and skaters

I will participate in theme days and dress accordingly.

I will follow the CSC rules (hair tied back, no food, no drinks, and chewing gum on the ice)

I will remember that I am a role model to the young skaters and will act appropriately.

I will be helpful to the young skaters.

I am aware of my duties (set up, demonstrating skills, leading circuits etc).

I understand that this is a volunteer position.

I am making this commitment for the 2010 -2011 skating season.
